

Fast Facts Practice Book

Name _____

Primary Concepts®

How to Use Fast Facts Practice Book

Fast Facts

This is your own addition and subtraction facts practice book. Do one page a day, starting with Fast Facts 1. As you work, day by day, you will see your skills grow. Before you start your daily practice, you might check the Progress Chart on pages 4–5 to see if you will do addition or subtraction facts, or a mixture of both.

Time It!

Time yourself, setting one minute for each page. See how many problems you can finish. Over a period of time, you will become faster and more accurate.

Score It!

After you have completed a page, mark your score. Write the date and how many problems you got right. Don't worry if you haven't completed all the problems. You will soon get faster and better.

Record It!

Record your score in the Progress Chart on pages 4-5. Color with a marker or a crayon to show how many facts you know correctly.

Watch Your Progress

Watch the colored lines grow longer each time you practice. Daily fact practice will make you more confident and faster in knowing and writing your number facts. Ready, set, go!
